## Response to Restriction Requirement Without Traverse

Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Sir:

In response to the restriction requirement mailed February 18, 2004, Applicant respectfully elects the claims directed to a glove to be prosecuted by way of the present application. The Applicant also thanks the Examiner for accepting Applicant's election of Group II claims previously made on November 17, 2003.

This election is made **without traverse**. Applicant specifically reserves the right to seek patent protection for non-elected subject matter by divisional application. Attached as Appendix A is a listing of all claims in the case and their present status. Amendments have been made to claims 9, 12, 16, and 18 to enable said claims to stand alone, to meet the restriction requirements, and in the case of claim 16 to correct a typographical error.

The undersigned may be reached at: 770-587-8621.

Respectfully submitted,

Maris Vistins
